Our menu pays tribute to two of the 11 reasons. Our beautiful coastlines and our local talent.

We have worked with John Coatsworth a renowned 'Geordie' artist whose art work is the backdrop to this menu. His artwork covers the distinctive 'wobbly' views of The Bridges across the River Tyne, St. James Park, Stadium of Light, plus lots of other various views!

With more than 30 miles of beaches the Northumberland Coast is simply spectacular. Promenade along piers, play at penny arcades and tuck into fish and chips whilst enjoying the sea view at retro-chic seaside towns such as Seahouses. Visit Newbiggin-by-the-Sea, a seaside village making artistic waves with The Couples, Britain's first permanent coastal sculpture Discover picturesque fishing communities, clustered around sandy coves, like Newton-by-the-Sea.
