I'm going with...

I'm most excited for..

Arriving at the Airport

● Arrive at the Airport by car, bus or the metro

● Find your flight on the big screen

● Find your check-in desk - **You can skip this step if you have checked-in online, and only have hand luggage.**

● You might have to wait in a queue

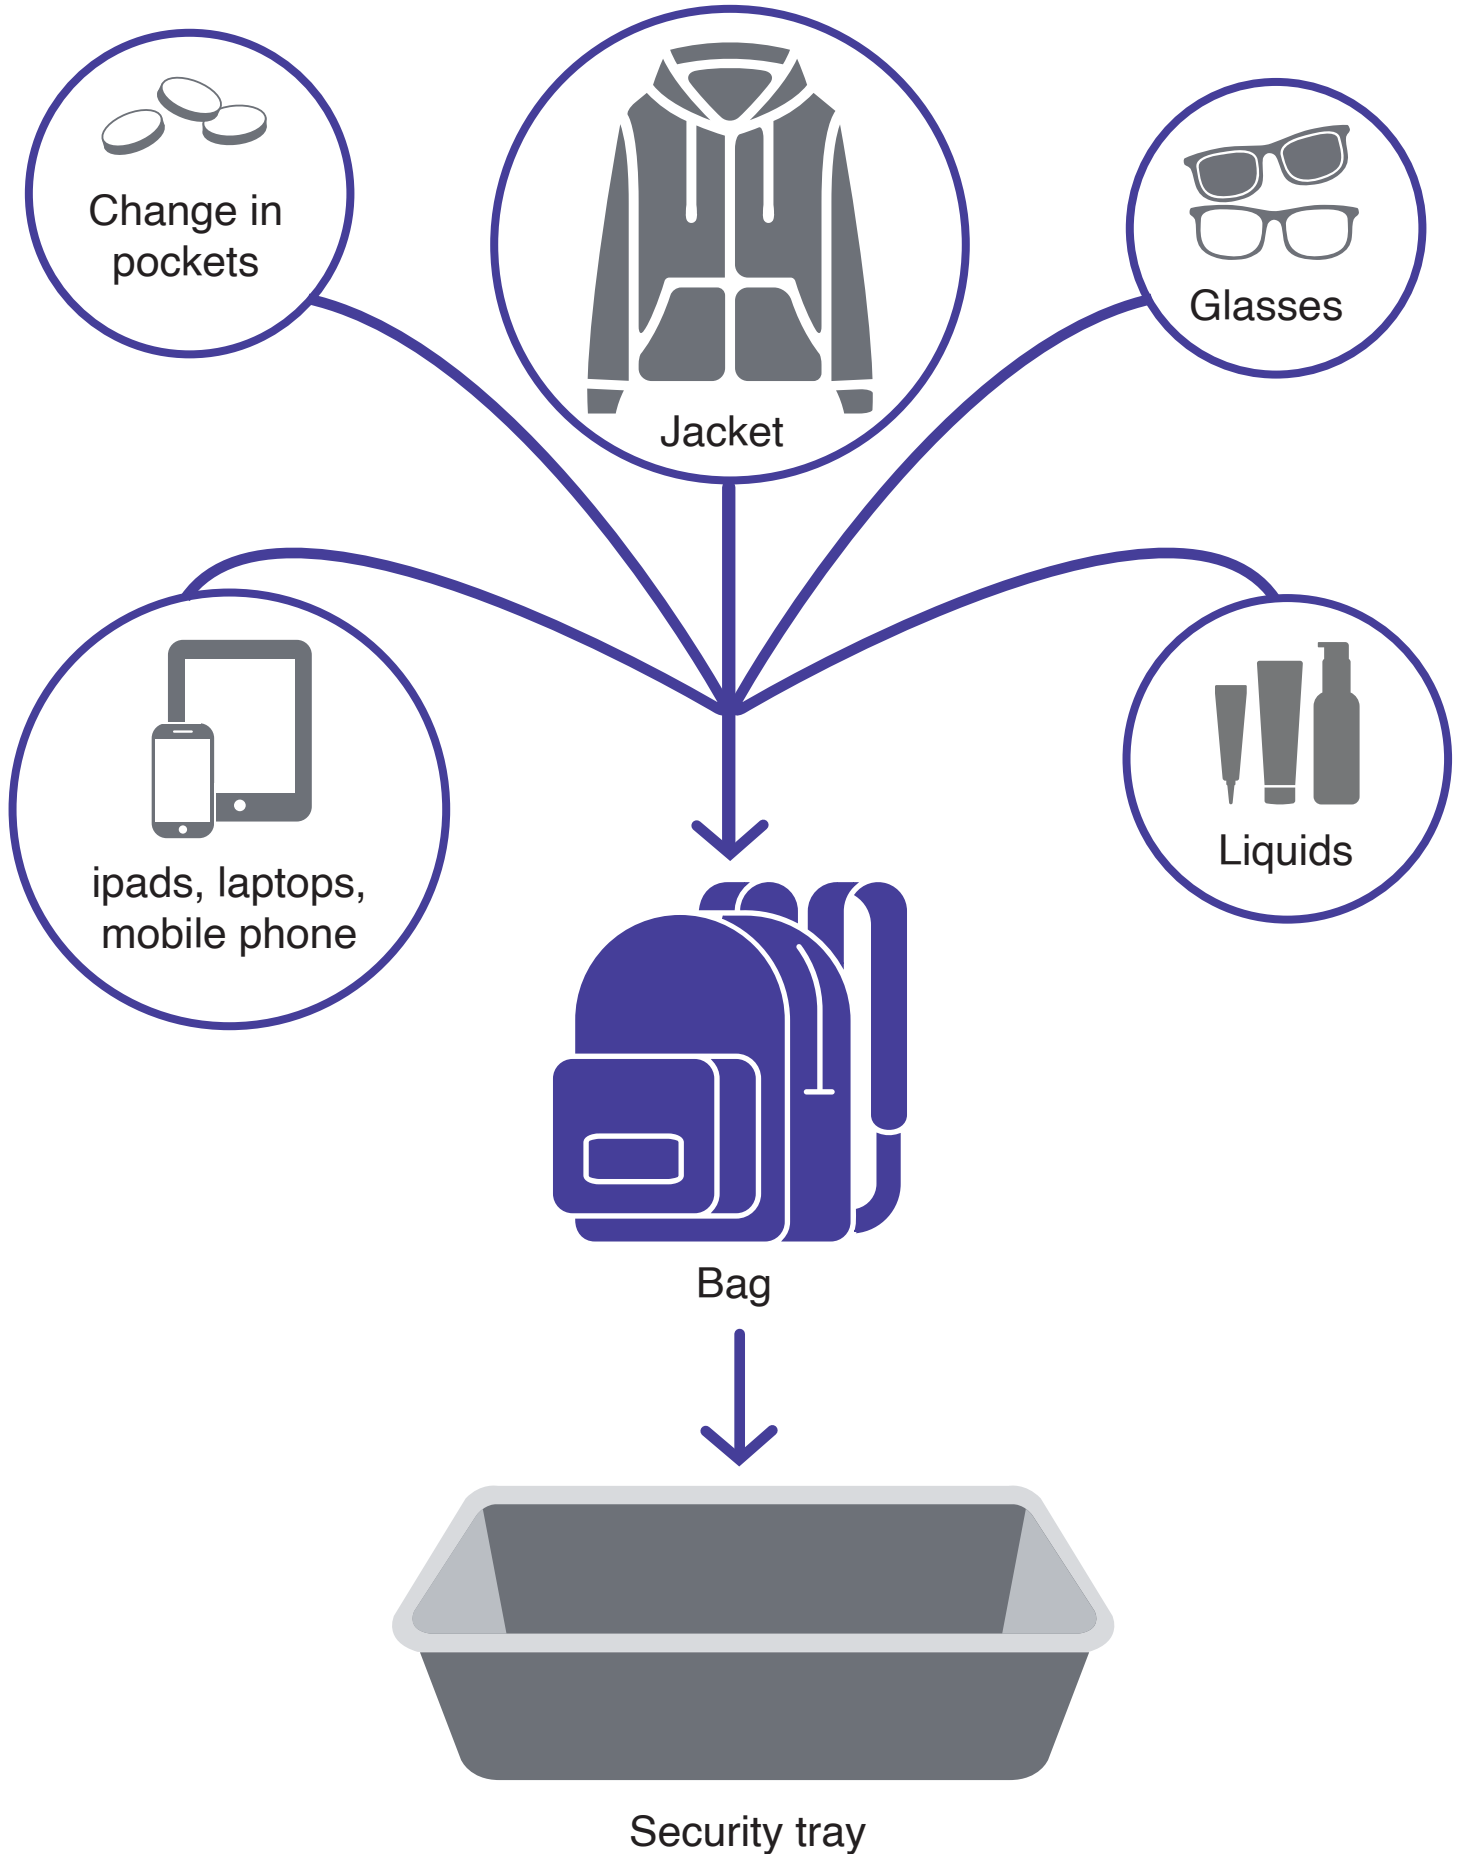

● Check-in with your baggage

If you need extra help, visit the Special Assistance area.

● Now, look for the signs to the Security area

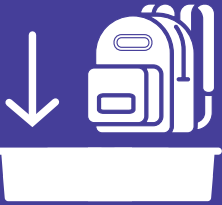

5 Time to enter the security area

Security area

● Have your boarding card ready to scan at the barriers

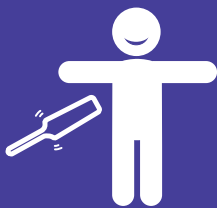

● It might be busy and you might have to wait in a queue

● Put your bag in the tray

● Go through the security arch*

● You and your bag might be searched. Your travel partner can stay with you

● Collect your belongings

● Go to the departures lounge

*The security process may differ for people with certain medical conditions. Please contact your medical professional and speak to our friendly security team for assistance.

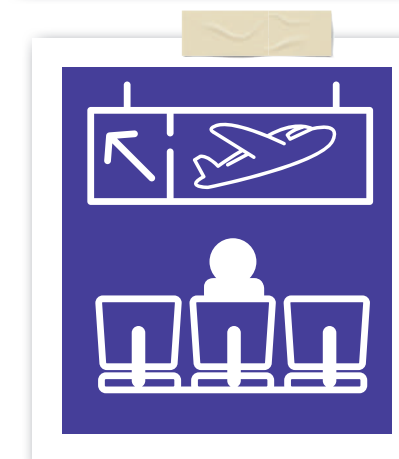

Go through Duty Free. It might be busy with lots of people, lights and smells

There are shops and restaurants
